Bateleur club points guide 2022.

It is preferable to do your sightseeing at the beginning or the end of your visit to Mnemba. As vaccination requirements change from time to time, we suggest you consult your local doctor or health department for the latest health precautions. You can wander through your lattice-wood doors across the wraparound verandah and stretch out on the beach on daybeds of wood and leather weave with soft white cushions. Crab Plovers are probably the most interesting birds on Mnemba and usually the most sought-after by serious bird-watchers. The locals of nearby Zanzibar are descendants of Africans, Assyrians, Sumerians, Egyptians, Phoenicians, Indians, Chinese, Persians, Portuguese, Omani Arabs, Dutch and the English. An extra bed can be arranged for a child sharing the parent's banda. A host of other sharks and rays are also present. This may not seem remarkable until it is realised that most of these birds are thousands of kilometres away from their breeding grounds in the Arctic tundra. On land, choose between bird-watching, walking or simply sunbathing. We will provide you with scuba and snorkelling equipment needed. CCAfrica [Mnemba's owner] is concerned about over-fishing and damage to the Mnemba atoll caused by local activities. Conservation The cottages of Mnemba Island Lodge are built largely from local materials. Mnemba Background: These "Spice Islands" were discovered by Arab traders in the 8th century and have supplied the world with aromatic spices like cloves, nutmeg, and cinnamon ever since. The gigantic, harmless Whale Shark, the world's largest fish, is a frequent visitor to Mnemba. Cuisine: Baskets filled with tropical fruit, lobsters and fresh fish are sailed into Mnemba on traditional ngalawa outriggers. Golf Elements Private Golf Reserve 30.0 Miles Rated one of the Top 10 Golf Courses Portain 9 Elandsfontein Farm, Cyferfontein District Cyferfontein Road 440KR, Bela Bela, Limpopo 0480 Club House Elements Private Golf Reserve 18 holes Travel information on Zanzibar Luxury Safari Lodges in Zanzibar Basic information on Zanzibar Zanzibar: An Idyllic Tropical Paradise (also known as Unguja Island) Located 35km to the North East of Tanzania, Zanzibar island stretches to 95km in length. Scuba Diving Mnemba boasts some of the world's most beautiful diving sites. In addition to the great variety of fish, coral reefs are home to a host of other fascinating creatures including spectacular anemones, nudibranchs, starfish, crabs and molluscs. Please note that this is an evacuation insurance only and does not replace the normal travel insurance which you must purchase. Flora The forest in the centre of Mnemba Island consists almost entirely of the so-called Whistling Pine. The rainy season falls between the two monsoon seasons, in mid March, with a short spell in November. Dinner is served in the dining area or alfresco style on the beach. All CC Africa establishments serve Pan-African cuisine such as: • Lightly curried West African corn and coriander soup served with Naan bread • Spice rubbed chicken with grilled bananas and ginger chutney • Fire-roasted Botswana beef with caramelized onions and chili served with sweet potatoes rubbed in cumin • Homemade vanilla bean ice cream with macadamia nut praline and slow-roasted rum-soaked pineapple Do you cater for specific diets such as halaal, kosher or vegetarian? The lodge is about a 20-minute boat ride, followed by about a 45-minute drive to Zanzibar Stone Town. When making your booking with our Reservations department, kindly make them aware of the specific diet you require. Wildlife includes Aders duiker, Suni, Zanzibar Leopard, the Rare red Colobus Monkey and more. The minimum temperature in this tropical climate is 18°C/64°F with a maximum as high as 40°C/104°F. If your booking is made through a travel agent, they are able to arrange payment details that are most comfortable for you such as fully pre-paid, only accommodation pre-paid or settle in full at the lodge by yourself. What kind of medical precautions do I need to take? The Best time to Travel The best months to visit Mnemba are from July to March. This remarkable phenomena is caused by phosphorescence in the surf. Mnemba, an Arabic word meaning octopus head, lies two kilometres north-east of the island of Zanzibar, a 20-minute cruise in a traditional 16 foot flat-bottomed boat. Stone Town, Zanzibar was a major Indian Ocean sea port of the Spice trade, with a serious reputation for slavery. The fishermen benefit from tourism by selling fresh fish to the island. The CC Africa Ecological Journal 2000 is a holistic diary of wildlife observations around our lodges and camps. Other activities include visits to the Villages, historical & archaeological sites, traditional boat building yards and coconut plantations. Are there special rates? Yes, we cater for all specified diets. Activities: Adventures The calm warm seas around Mnemba are nothing short of a giant aquatic playground. They will communicate it immediately with the lodge at your African adventure destination. Island Life: The inky green forest light gives shelter to the rare Zanzibar suni antelope and is filled with White Forest Vagrant butterflies. The shower water comes from the island's well or boiled rainwater. Mnemba lies 2km off the Zanzibar Island mainland. Each banda also has a spacious outdoor verandah. Activities available may include the following: • Special eco-guides for kids • Wildlife colouring-in books • Animated videos • Special programmes can be compiled such as fishing and birding - special quote necessary Who are the local people? Fresh, delicate sea breezes waft through Mnemba Lodge, lending a castaway air to the entire island. Zanzibar has all the makings of an exotic Swahili Island - Beautiful beaches, a historical Stone town influenced by Arab & European architecture (dating earlier than the 12th century), tropical wildlife-rich forests, enticing seafood restaurants, fascinating marine life, superb watersport facilities and above all warm island hospitality. CC Africa's free monthly wildlife e-zine, WildWatch runs articles with useful tips on bird-watching, photography, recent wildlife sightings, reviews of nature books, wildlife web links plus an interactive questions and answers section. What are the lodge rates? Popular sites for diving in Zanzibar are: Wreck Diving - The Great Northern British Steel Cable laying Ship was immersed into the Indian Ocean on December 31st 1902. If so, which ones? Zanzibar is famous for producing intricate and detailed wood carvings and some of the island's most skilled artisans have created the scrolled headboards adorning the beds. CC Africa has exclusive traversing rights over this area. Is the lodge available all year round? Activities depend entirely on the age of the children. Projects include building classrooms, libraries and clinics and sponsoring bursaries. You are the engine that drives our dream of advancing the green and wild frontiers of the oldest continent on earth, of helping us to permanently re-establish our planet's endangered species and wild places. Living Spaces: Balmy air wafts through the dining area and adjoining lounge/bar, unhindered by walls or windows. The Return is about Phinda Private Game Reserve and I Speak of Africa gives in-depth coverage of Londolosi Private Game Reserve. Are credit cards accepted? Cyclical weather patterns are very much a part of the east coast and this is how the ancient Arabs were able to navigate this part of the world so successfully during the slave trade years. Luscious fruit includes coconut, oranges, papaya, bananas, mangoes, lychees, guavas, star apple, jack-fruit, rambutans, breadfruit and avocado pears. (Our guests play a critical role in helping us realise our dream and our vision. Some birds capture small invertebrates, sand shrimps and sea lice. Marine Life: The lagoon is like a huge tropical fish tank, full of colourful marine organisms. You wake to bubbling dove song and the smell of coconut bread baking in a wood stove, as traditional dhows (coastal Arab sailing vessels) drift across the horizon. Temperature: Being a tropical island, it can be humid. Can a two to three week circuit with different lodges/camps and activities (including transfers) be arranged? It is thought to originate in the Far East or Australia. It acts as a catalyst for the development of neighbouring rural communities. How do I pay? RATES Our rates for your blissful island paradise getaway include tropical beach accommodation in hand-woven banda cottages, three mouthwatering daily meals, all teas and coffees, soft drinks, house wines, local brand spirits and beers. Other options which are included in the rate, are windsurfing, kayaking, and, needless to say, swimming directly from the beach. Gentle, soft-spoken islanders host you with warmth and grace. No live corals, fish or shells may be collected. Corals need sunlight to function, but they are not plants. Stone Town serves as a central business district and majority of the population is Islamic, therefore women should dress modestly. A table is placed under the stars, where you may dine with the waves gently lapping at your feet. How is emergency medical cover and travel insurance arranged? Mouthwatering cuisine with exotic delicacies are lavishly prepared and laid out for your bedazzled palate. Swimming, jogging and bird-watching opportunities. Are there preferential rates? Lunch is usually served buffet style or on large wooden carved Zanzibar platters adorned with delicious African Mezze (fingerfood). This guarantees all reasonable, practical assistance in obtaining primary or emergency medical services for an insured person who suffers illness or injury. This is where Bill Gates comes to unwind and savour Mother Nature's delights, on our heart-shaped splash of sand in the blue depths of the Indian Ocean. Turtles nest on the island from January to the end of March, hatching 60 days after laying. The Club is a membership programme designed specifically for South African residents. Mafia Island also part of the Zanzibar archipelago, offers excellent beaches and snorkelling. Fresh fish is served at both lunch and dinner. In this regard, the company is actively lobbying government to declare the entire atoll a marine park thereby extending the current 200-metre protection zone around the island. We can pre-book and package all of your regional/internal flights and transfers. Some countries require advance inoculations (and certificates thereof) - we will advise you of these. The island uses solar energy to supply electricity for lights and refrigeration purposes. Emergency medical evacuation insurance is included in the rate at all CC Africa lodges. The only inhabitants of the island are lodge staff and guests, offering luxurious privacy and guaranteed exclusivity unparalleled on the African coastline. Game fish include barracuda and marlin, and these are tagged before being released. Anti-malarial precautions are essential at all CC Africa lodges and camps except for Tau Game Lodge in South Africa. Visa and MasterCard. Most upmarket beach areas are more exclusive and private for Tourists, where swimwear is accepted. The greatest numbers of Palearctic waders occur along the East African coast between late August and early May. This program, which is designed to increase yields to local fishermen, is due for expansion and is regarded by the CC Africa Leadership as a high priority. Temperatures do not fluctuate much - the average daytime temperatures are in the region of 26°C/79°F from June to October and about 28°C/82°F from December to February. Point of interest in Zanzibar include: The People's Palace The House of Wonders The Anglican Cathedral The slave market The Peace Memorial The Palace Museums The Old Dispensary Dr. Livingstone's House The Arab Fort Tippu Tip's house [A rich slave with a gemmed dagger] With tourism on the rise, Zanzibar now has a few mobile service providers, some internet cafes, and a business centre at the Zanzibar Serena Inn. Pemba Island is located further north & part of the Zanzibar archipelago, not much frequented except by those interested in diving. Zanzibar's beach resorts are set in magical hand-picked locations, each with it's own speciality and claim to fame. And for a true taste of Zanzibar, don't forget stop and sample foods, confectionaries (sweet meats) and black coffee. Each exquisite banda has been hand-woven and thatched from the tree branches and traditional Zanzibari palm-matting. The rainy season falls between the two monsoon seasons, in mid March with a short spell in November. Jozani Forest: The largest area of mature indigenous forest remaining on Zanzibar Island. Mnemba Island Lodge is closed from 1 April to 31 May (inclusive) each year because of the monsoon rains. See Rates Section. Dominant on the outer fringes of the island is the distinctive Screw Pine which supports itself with its strong aerial roots. Over 300 species of fish are present. Kindly enquire with our Reservations consultants about the Bateleur Club when making your booking. An abundance of water and wading birds are sighted daily. The best way to experience the Swahili Stone Town is to walk along the narrow alleyways and winding streets with their ancient wooden brass studded doors and intoxicating Spice odours. Zanzibar is East Africa's most popular Indian Ocean Island with it's white sandy beaches and historical Stone Town. Zanzibari palm woven banda. Mnemba Island does not impose any restrictions on clothing, however nudity in public areas is illegal in Tanzania. The clear blue seas provide unsurpassed visibility for snorkelling and scuba diving enthusiasts. For the less experienced, most Dhow / Diving Operators offer PADI and NAUI courses. This reduces air pollution. Listed among US Travel & Leisure's Editor's picks for "Best Beach Resorts" in September 2000, "World's Best" feature. Interiors: As is befitting an earthly paradise, Mnemba has near-perfect weather. These trees are often grown as dune-stabilisers, and the Mnemba forest may indeed serve to keep the island intact in the face of eroding ocean currents. Just below the surface, and down to the seabed, are vibrant ecosystems to match the excitement and splendour of the African savannahs and tropical reefs. Mnemba Island Lodge is accessible by road transfer from Zanzibar Airport or Stone Town, followed by a short boat transfer. What are the activities available for children? Are there brochures available? Most diving sites are close by, some right next to the island and others a 15-30 minute boat ride away. From each villa, a palm-covered walkway leads to an en suite turquoise bathroom. What are the characteristic species of the area? Mnemba Island is solely operated and owned by CC Africa - there are no other properties on the island. When is the rainy season? Cottages are situated on either side of the main living area. There are no snakes, mosquitoes, scorpions or rats on the island, adding to the assertion that this truly is paradise on earth. Diving in Zanzibar: The west of Zanzibar is where most of the popular diving sites are located. The materials were chosen to allow the cooling sea breeze to move through the bungalow and, assisted by overhead fans, the cottages remain cool all day. The sea breezes that wash over the island bring cooler air and relief from the hot, damp weather. Map of Zanzibar What are the best times to travel? Snorkelling, windsurfing, kayaking and scuba diving (if in possession of a valid diving certificate). The Africa Foundation is a non-profit organisation. Zanzibar and its islands are bathed in the heady scents and romanticism of a bygone era. Our food has a Mediterranean and Moroccan influence - an exciting array of fresh salads, red peppers, olives, humus and submarine spreads, feta, chillies and grilled vegetables drizzled with olive oil, all enhanced with African spices. There are several species of birds to be found around the Islands. Seasons Climate Overview Mnemba has a tropical climate and very bright sunshine. The exotic combination of heady perfumes, gently swaying coconut palms and lush vegetation make this an irresistible destination for lovers. The architecture of the lodge reflects this blissful serenity. Judging from the parallel formations, it appears to have been planted there in years gone by. For the more experienced, wreck diving is popular. Where can children sleep? As tribute to its allure, Condé Nast Traveller chose Mnemba Island as one of the three most romantic ocean destinations in the world. We also include incomparable scuba diving (two dives per day), snorkelling, kayaking and windsurfing, your Emergency Medical Evacuation Insurance and laundry service. The minimum period is approximately three days. There are different sites available for different levels of experience. Wildlife & Ecology Landscape The spectacular waters of the Indian Ocean surrounding Mnemba fall within a 200-metre protected zone and provide a sanctuary for a host of marine animals and magnificent coral reefs. Library Or you may opt for the other kind of island life, where you can just lie back and relax in our library, play board games, Pictionary, watch TV or enjoy wildlife videos. Big-game fishing are scuba diving are also popular. The lodge closes during the heavy monsoon rains between April and June. What is the distance of the lodge from major centres? Here, you can discover a variety of marine-associated habitats from a placid lagoon to beautiful coral reefs, where ocean life flourishes. Optional activities include deep-sea fishing, which is among the best in the world. Mnemba is all about the sea and the beach, and when you tire of lying on the softest, whitest sand in the world, beach chairs and beds offer a chance for elevation. At high tide, flocks of wading birds can be seen on sandbars at Mnemba. The aesthetic impact of construction on this beautiful island was taken into consideration, and the cottages are positioned discreetly just beyond the beach, in the Pandanus (Screw Pine) forest. Is there other literature available? At 12 metres it's good for any level of diving experience & especially good for snorkelling. In 2000, Breezes Beach Club's beach was voted to have the best beach in the world. There are good sand flats throughout the year. Turtles nest on the island from January to the end of March, with hatchlings arriving 60 days after eggs are laid. Habitats Mnemba Island is covered by a flush of forest and crested by pure white sand. The striped dolphin is the most common marine mammal, but other dolphins and whales are also present. Marine life includes Powderblue Surgeonfish, Green and Hawkbill Turtle, Vagabond Butterflyfish, Semicircle Angelfish, Clown Butterflyfish, Long-horned Cowfish, Moorish Idol, Manta Ray, Ghost Shark and bottlenosed, spinner and striped dolphin. To protect the porous sand and ground water table from contamination, separate septic tanks have been built for each unit. The best months to visit Mnemba are from July to March. FAQs What method of transportation is recommended to reach the lodge? Wild Rubber Fig, Giant-leaved Fig, Coast Milkwood and Dune Cross-berry are among the other native tree species to be seen. The company is therefore working with the marine council of Zanzibar to promote alternative - and more productive - practices amongst local fishermen. Are children welcome? Rainfall: Ruled by the movements of the Indian Ocean monsoons, the seasons of Mnemba change with the winds. Leven Bank - 30 minute boat ride from Ras Nungwi / Experienced divers Nyanga Reef - Largest reef, good for snorkelling, 20 minute boat ride from Stone Town Bawi Island - 15 minute boat ride from Stone Town Pange Reef - Excellent coral variety. All levels of experience, 20 minute boat ride from Stone Town Mwambe Ukombe - All levels of experience, Unspilt coral, 30 minute boat ride from Stone Town Pwakuu - All levels of experience, Good coral variety, 30 minute boat ride from Stone Town Bokibu Reef - All levels of experience, 40 minutes boat ride from Stone Town Murogo Reef - Good coral and fish, 25 minutes boat ride from Stone Town Unicorn Reef - Also called Jambiani, large game fish, 30 minute boat ride from Jambiani beach Mnemba Island - Experienced divers, 25 minutes boat ride from Ras Nungwe Kichwani Wattabomi West Gardens The Big Wall The Aquarium Mnemba Island: Zanzibar Overview: Exclusive palm and wood bandas 15min by boat from Zanzibar Tropical barefoot paradise Castaway feeling Coral reefs, pristine white beaches Over 300 fish species Dolphin, Whale Shark, crab Turtle season December-May Scuba diving (speciality dives) Snorkelling, deep-sea fishing Diverse water sports Tours of Zanzibar Introduction to Mnemba: Mnemba, an untouched atoll off the coast of Zanzibar, is therapy for the spirit. You may walk the streets of the ancient "Spice Island" of Zanzibar and discover the history of the island. Should specific items need to be flown in, there will be an additional charge, which will be quoted separately. The island also has a curio shop and a small library with a variety of books and games. A pristine swathe of beach defines the island's one mile circumference. Speciality dives include deep, night, navigation, drift and peak performance. What age of child is allowed? Birdlife Crab Plover, Eurasian Oystercatcher, Purple-branded Sunbird, Bar-tailed Godwit and the glimmering Paradise Flycatcher are found on Mnemba. Those frequently seen on the shores are Curlew Sandpiper, Sanderling, Ruddy Turnstone, and the Mongolian or Lesser Sandplover. Children under 12 are allowed. A protection zone surrounds the island, conserving magnificent coral reefs where giant turtles, Ghost Crabs and spectacular tropical fish drift through the lagoons. The Foundation empowers small business through providing capital and training. This is not considered indigenous to Africa although it is now naturalised and propagates freely along tropical coasts throughout the world. What style and type of meals are on offer? The luxurious Zanzibar Serena Inn is one of the oldest buildings in Stone Town. What is the accommodation type? The best time for big game fishing is mid January to mid March, and for fly fishing and bone fishing, mid July to mid October. You may also enjoy your meals privately on the verandah of your beach cottage. Rate Excludes - Champagne, cognac, cellar wines, cigars and cigarettes, telephone calls, curio shop purchases, transfers to and from the lodge, diving instruction, deep-sea fishing and gratuities at guest's discretion. You can enjoy two dives daily. Two hard cover, illustrated books on CC Africa reserves are available. How does CC Africa promote ecotourism? Once a week flights to Pemba Island are available from Zanzibar. Refuse is sorted and only bio-degradable material is buried on the island. The maximum length is totally up to you. Condé Nast Traveller chose Mnemba Island as one of the three most romantic ocean destinations in the world. Tales of ruthless Pirates and war, and of Kingdoms that rose and fell, all leave a spellbinding effect on the Stone Town which is a remnant of the eras gone by, standing still as traditional swahili dhows flow gently across the harbour ahead. Yes. Various diving courses and deep-sea fishing available at an additional charge. CC Africa guests are welcome to visit current projects in neighbouring communities. Some rooftop bars offer excellent views of the Stone Town. Game fishing occurs outside the 200m controlled zone around the island, and all fish caught are photographed, tagged and released. Our preferential rates come in the form of the Bateleur Club. The island is closed from 1st April to 6th June (inclusive) due to the monsoons. With grass mats underfoot and thatch overhead, these areas have an open view of the beach and coral reefs beyond. Yes. The average water temperature during July to March is from 20°C/68°F to 23°C/73°F. The neighbouring exclusive resort, Mnemba Island, has for years been voted to be among the World's most romantic beach resorts. Leven Bank and Mwemba Island offer the best diving for the experienced, for the lesser experienced Murogo reef is excellent. Starting in June, the south-west Monsoons blow until September/October. CC Africa has already contributed to install fish aggregating devices at strategic points. This will ensure no fishing occurs in the area. The months for diving in Zanzibar are during October and December. The north-east Monsoons blow from November through December and again from February and March. If you walk barefoot along the beach after dark, you will be entranced by the light created by your footprints on the wet sand. Mnemba Island features just ten en suite banda cottages, bordered on three sides by tropical beach forest and overlooking the beach and coral reef. Community Local People The lodge is conscious of the need to maintain good relations with the local fishermen. Our scuba diving course of three to four days is available. Please note that a valid diving certificate is needed. What is the recommended length of stay? You are our future ambassadors, the meeting place between Africa and the world. The best beaches are atleast an hour's drive from the International airport, but definitely worth the trip. He or she can give you advice on the appropriate medication. As there are various types of medication to help prevent malaria, we would advise that you contact your local doctor or general practitioner before departing on your trip. They are, in fact, gregarious, anemone-like, filter-feeding animals belonging to a large invertebrate group. Special rate packages are negotiable. What is even more phenomenal is that they undertake the long trip from the frozen north to the African tropics twice a year throughout their lives. The main attractions are the World-class coral reefs, pristine beaches, Ras Mkumburi dunes (dating back to 1200AD) and other historical sites. CC Africa will in turn set up a community trust to support local fishermen and pay them a fee for not fishing. Chole bay a protected harbour and it's surrounding islands fall under the Mafia Island Marine Park and provide a beautiful underwater world of fish and coral. No need to worry if you have no diving experience - Mnemba offers a professional dive school designed specially for you, at extra cost. What are the activities? Cultural activities on Zanzibar include a Spice Tour or historical town tour as optional extras. The best time for big game fishing is mid January to mid March. Just a short boat trip from the island, coral reefs drop into the deep open sea.
